AFF. TO CBSE (DELHI)

Reflections 2025-26

Dear Readers,

"With pleasure, Handas Public School brings to you this bulletin with an overall development of children at a glance."

PRINCIPAL MESSAGE

It gives me great pleasure to share a few words with you through our school magazine. A school is not only a place for academic learning but also a space where young minds grow, explore their talents, and develop strong values.

Our aim is to provide quality education while encouraging students to become confident, responsible, and compassionate individuals. We believe that every child has some potential, and it is our duty to guide them in discovering and developing their abilities.

I appreciate the efforts of our dedicated teachers, hardworking students, and supportive parents who continuously contribute to the progress of our school. This magazine reflects the creativity, knowledge, and enthusiasm of our students.

I congratulate everyone involved in bringing out this wonderful publication and wish them continued success in all their future endeavors.

Mrs. Damyanti Kaushik

COORDINATOR'S MESSAGE

Education is the foundation upon which the future of every individual and society is built. At Handa Public School, we strongly believe that education is not limited to textbooks and examinations; it is a journey of learning values, discipline, responsibility, and self-confidence. Our aim is to create an environment where students feel encouraged to think creatively, ask questions, and develop a lifelong love for learning.

Every student has unique potential and abilities. With the right guidance, dedication, and hard work, they can achieve great success in life. I encourage all students to remain focused on their goals, respect their teachers and parents, and always uphold the values of honesty, kindness, and perseverance. Remember that true success is not only measured by marks but also by the character you build and the positive impact you create in society.

I wish all students a bright, successful, and meaningful future.

Rajeev Kumar Bhatt (Coordinator)

Handa Public School

Schools from day one emphasize on holistic development of a child. Handa Public School too takes great care in making a child a complete or otherwise a talented individual. Reflection is one means which showcases what the school teachers along with the students have done the entire year. We at our HPS ensure that a child's overall well being is prioritized which boost their willingness to learn and help them to thrive.

EDITORIAL BOARD

मुझे अपने सभी पाठकों और अभिभावकों को यह बताते हुए अत्यंत प्रसन्नता तथा गर्व का अनुभव हो रहा है कि मैं एक ऐसे शिक्षण संस्थान का हिस्सा हूँ जो शिक्षा के साथ-साथ छात्रों को आत्मनिर्भर भी बनाता है। हमारा विद्यालय अपने सफल प्रयासों से निरंतर आगे बढ़ता है इस वर्ष भी हमने एक मल्टीमीडिया लैब तथा स्वचालित रोबोट भी बनाया तथा हमारे शिक्षकों और छात्रों की मेहनत के बलबूते पर कई प्रतियोगिताओं में भी सफलता प्राप्त की। हमारा विद्यालय बाहरी दिखावे पर ना जाकर छात्रों की नींव को मजबूत करने के कारण समाज में अपनी अलग पहचान व श्रेष्ठ स्थान रखता है। मैं अपने सभी पाठकों को हार्दिक शुभकामनाएं देती हूँ और आशा करती हूँ कि यह स्मारिका आपकी प्रशंसा व सहयोग हमें प्रदान करके बच्चों के सर्वांगीण विकास में महत्वपूर्ण भूमिका निभाएगी।

We were obliged to have Mr V.K Mishra principal DPS and City coordinator as our resource person. A charming and a knowledgeable personality was there to answer various questions on syllabus and marking methodology of CBSE working etc. The teachers put up various questions to clear their doubts regarding to 10th and 12th class. The workshop was a success.

WORKSHOP BY NDRF ON FIRE SAFETY

26 April 2025

Time to time HPS organises workshop on important topics. Lately a workshop on fire safety measures was organised. It was very informative presentation, as it shows how to use a fire extinguisher, how to stay calm at the time of disaster, how to fight an uncontrolled fire. It was a very beneficial program. Children were also taught how to handle situation with gas cylinder at home. Children were allowed to experiment themselves. We are obliged to the whole NDRF team along with Shyam sir our President.

LABOUR DAY

1 May 2025

Each and every worker deserves dignity and respect. The best part was that children were made to realise the importance of the workers by the celebration of this day in our school. These workers help us in our day to day chores and children learn to respect them. All the workers were given gifts and refreshments by the children.

BLACKOUT AND MOCK DRILL

07 May 2025

A black out and mock drill was conducted to create awareness about safety measures during emergency. Students at the buzz of an alarm were taught to move out in an orderly manner at the time of crisis. They were taught how to evacuate and reach a safe point. The plus point of such program is development of alertness, calmness and courage in children. They were taught important tips for emergency.

VACCINATION DRIVE

08 May 2025

School is supposed to have a holistic approach in bringing up kids. Viewing this the medical safety presentation too is handled in our school. Children were vaccinated with tetanus and diphtheria. Immunization and its awareness helps in building a healthy future.

MOTHER'S DAY

10 May 2025

"MAA" this word is so touching that using the word itself fills you with empathy. It is a day which is celebrated in our school with great zeal and affection. Children performed beautiful performances and mothers took part in various games. This small program develops, affection realization and love for the mothers.

Student toppers of class 10th and 12th were felicitated by IPS officer Anshika Verma at a public gathering. They were awarded gifts, medals and certificates. These programs help to motivate other students too. Krishna Joshi of class 10th and Alisha of 12th topped our school.

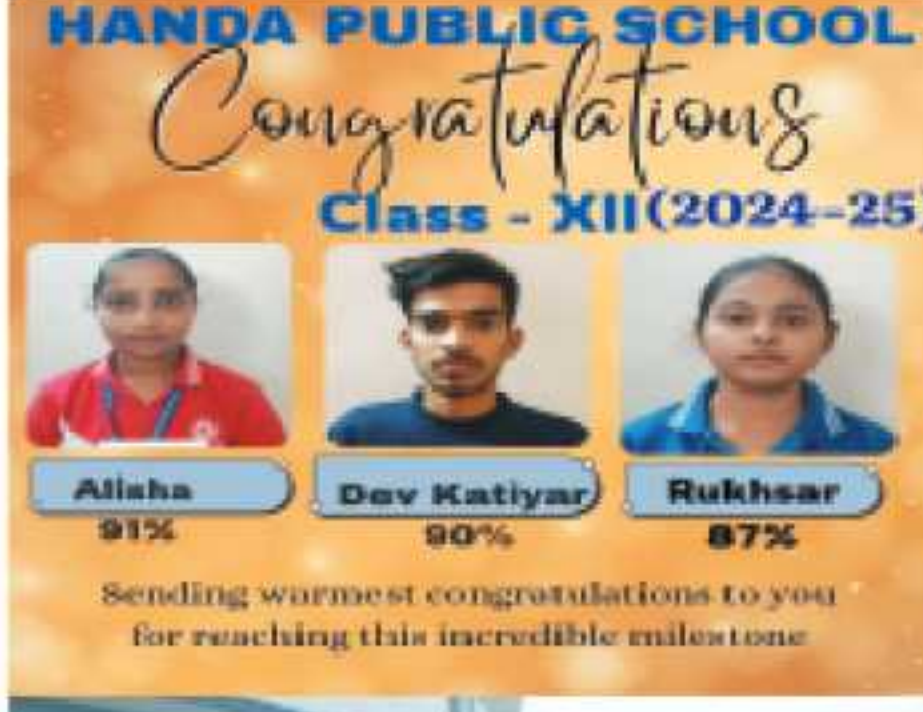

KINDERGARTEN POOL PARTY

24 May 2025

Fun and frolic during summers is in the pool. Our little hearts with their beautiful teachers had their heart full with jumping in the pool filled with cool water. They were full of enthusiasm wearing goggles dancing on music and having their drinks in the pool. This gives the children to be their natural self. They realise that teachers love them and this gives them confidence.
