AFF. TO CBSE (DELHI)

Reflections 2024-25

Dear Readers,

"With pleasure, Handas Public School brings to you this bulletin with an overall development of children at a glance."

Principal Message

Dear Readers,

The school magazine mirrors the different faces of development of students in academics as well as cocurricular activities and thus, it is a rewarding experience for the children. Our logo says grooming and blooming. Yes our children are the future of our nation. We have to build up their character by imbuing in them values and high thinking. They should be strong enough to face all odds and even in their life. Children with good education blended with manners and values will make our society a better and secure place to live in. Education if delivered in right manner dedicatedly by teachers and elders will reduce the unrest in today's child and make them feel more responsible. The increasing use of mobiles has to be curtailed by the parents and teachers. Together we can create a beautiful world for our children. As, HPS school of today for the child of tomorrow.

मैं स्वयं को सौभाग्यशाली मानती हूँ कि मैं इस विद्यालय का हिस्सा हूँ और यह स्मारिका वास्तव में हमारे उन अमूल्य पलों व प्रतिभाओं को आप सबके साथ सांझा करने का एक सफल प्रयास है और मेरा मानना है कि किसी भी विद्यालय की सफलता में जितना योगदान शिक्षकों और छात्रों का होता है उतना ही योगदान उनके माता-पिता का भी होता है, अगर अभिभावक अपने बच्चों पर नियन्त्रण करें और अनावश्यक मोबाइल फोन के इस्तेमाल पर रोक लगाएँ तभी हम एक सभ्य समाज का निर्माण करेंगे, और मुझे बेहद प्रसन्नता है कि हमारा विद्यालय छात्रों की शिक्षा के साथ उनमें संस्कार जगाने में भी सर्वोपरि है। मैं अपने विद्यालय के सभी योगदानकर्ताओं को धन्यवाद करती हूँ कि उनके इसी प्रयास ने इस स्मारिका पत्र को पाठकों के बीच में प्रिय बनाया है। मैं अपने सभी पाठकों को भी शुभकामनाएँ देती हूँ और आशा करती हूँ कि आप सब हमारे साथ मिलकर बच्चों के सर्वांगीण विकास में अपनी महत्वपूर्ण भूमिका निभाएँ।

COORDINATOR'S MESSAGE

I feel proud to be a part of HPS. The working atmosphere is so congenial that we do not feel out of place. Hence we work with full cooperation and dedication. Being amidst children keeps one energetic and lively. Working for children gives me immense satisfaction. I tried to counsel them when in problem and keep close affinity with them. They are actually very delicate and their thought process has to be strengthened. Happy reading to all.
